Yeah, I think I have a handle on calling in the army -- it's pretty clear in Sec. VI of the National Defence Act -- but looking to explain the jurisdiction of the Hill, which was updated after the Nathan Cirillo shooting, and what it takes to call in the RCMP to help. It may require the province to ask! I'll check with Annie.

Before I sign off, is there anyone you'd recommend speaking with about when politicians would get involved with blockades? I'm wondering if there have been any situations where that's happened. Trudeau did convene the Incident Response Group over Wet'suwet'en, although obviously that was on a different scale. That was Blair too, so again, I'll check in with Annie.

Thanks, J
